PROFESSIONAL EXPERIENCE

Software Development Intern

June 2025 - Present

Kodnest Technologies, Bengaluru, Karnataka, India

Intern at KodNest, where I acquired practical skills in Java, MySQL, Frontend Technology, contributing to real-world projects and learning directly from industry professionals

PROJECTS

To-do List App

HTML | CSS | Javascript

- Built an interactive task management app that allows users to efficiently organize, edit, and delete their daily tasks.
- Added persistence through local data storage, enabling tasks to remain available after browser refresh or restart.
- Designed a clean, user-friendly interface focused on simplicity and smooth user experience.

E-Commerce Platform

React | Node.js | Express.js | MongoDB

- Developed a full-stack web application enabling users to browse products, add to cart, place orders, and manage their accounts.
- Designed responsive UI using React and implemented RESTful APIs with Node.js and Express.js.
- Used MongoDB with Mongoose for backend data management and deployed the project using Vercel.

LMS

React | Node.js | Express.js | MongoDB

- Developed a full-stack web application that enables users to register, enroll in courses, and access learning materials online.
- Designed a clean and responsive interface for instructors, and learners to manage and view course content efficiently.
- Implemented RESTful APIs for course and user management, used MongoDB with Mongoose for data handling, and deployed the application on Vercel.

CERTIFICATES

Full Stack Web Development
